

Johnson County Amateur Radio Emergency Services (JCARES) Net Script

. Announce: **QST,QST,QST** ("calling all stations" Alerts listeners to new traffic)

- 1) This is <Call Sign>, your net control station for this evening, my name is < First Name> and I am opening the Johnson County Amateur Radio Emergency Services net. The net is held every TUESDAY at 7:00 PM on 147.180, a Buffalo Repeater. [<Break for Traffic>](#)
- 2) The purpose of the net is to train for emergency net operations and traffic handling. Please DO NOT break the net unless you have emergency or priority traffic. [<Break for traffic>](#)
- 3) All local hams are invited to check in and hams in other areas covered by this repeater are invited to participate. Net control will call the roll of ARES members, then roll of Bark members, after which the net will be open to all check-ins. [<Break for Traffic>](#)
- 4) This is _____ Net Control, is there any Emergency or Priority traffic.
- 5) [Respond to any Emergency or Priority Traffic or:](#)
- 6) Hearing none; I will now call the roll. Please respond with your call sign and any traffic or messages for the net. [<Break for Traffic>](#)
- 7) Roll call completed. This is _____ "Net Control" opening the net to any station wishing to check in. Please identify with your call sign and location. [<Break for Traffic>](#)
- 8) This is _____ Net Control are there any late check-ins, last minute questions, comments or announcements before I close the net? [<Break for Traffic>](#) [Call two or three times to give time for others to respond.](#)
- 9) I will now close this session of the JCARES net at _____PM. I thank all of you for checking in this evening. This is _____ signing off and returning the repeater to normal amateur radio use.
